II. WHAT THIS LIMITED WARRANTY DOES NOT COVER.

Alliance Laundry Systems will not provide a replacement for any part which fails for reasons other than defective material or workmanship.

Alliance Laundry Systems is not responsible for failure as a result of abuse, misuse, improper installation, transportation damage and chemical damage that results in rusting or corroding components.

Alliance Laundry Systems is not responsible for clothing or machine damage caused by foreign objects placed in unit.

Alliance Laundry Systems is not responsible for damage resulting from worn or cracked washer hoses.

Alliance Laundry Systems is not responsible for any consequential damage resulting from any malfunction.

Alliance Laundry Systems is not responsible for labor charges that result from a service call where a unit is found to function as designed.

Alliance Laundry Systems is not responsible for extra labor charges and extended travel expenses due to customers installing units in areas beyond the selling dealer's normal service area. Remote Service is considered in excess of 50 miles from selling dealer. (100 miles round trip)

Alliance Laundry Systems shall not be responsible for, and rejects liability for any part failure if such failure is due to an act of God, natural disaster, vandalism, intentional infliction of damage or dereliction.

Alliance Laundry Systems shall not be responsible for freight or transportation costs of any part covered under the terms of the product warranty.

Alliance Laundry Systems is not responsible and reserves the right to void any product warranty for damage to any electrical component (i.e. inverter drives and output boards) in washers connected to a fluctuating power supply (i.e. stand-by generators with uncontrolled output) or damage caused by line voltage exceeding factory recommended specifications.

III. HOW TO OBTAIN REPLACEMENT PARTS UNDER THIS LIMITED WARRANTY.

Parts which fail within the limited warranty period must be ordered from your local Authorized Alliance Laundry Systems Parts source. Be prepared to provide proof of purchase, model and serial number.

IV. PRODUCT REGISTRATION.

New owners of Alliance Laundry Systems equipment are encouraged to register their appliance to insure proper limited warranty coverage. Register online at <http://www.speedqueen.com/support/register-my-speed-queen.aspx> or contact your dealer to register your appliance. All information will be kept confidential and will not be distributed to other parties. For Canadian customers, use <http://home.huebsch.com/prod-reg/> to register your product.
